

## **FREE FROM SEIZURES**

Both Jim A. and his younger sister were tormented with seizures. Jim had been experiencing them since he was 15, and his sister experienced seizures since she was six. Doctors were puzzled, as brain scans did not show any physical reasons for the problems. After coming to receive deliverance and break generational curses, both of them stopped experiencing seizures. They were still free from any seizures after two years. Jesus is still in the miracle-working business.

Everett Cox dedicates each deliverance session to his daughter who drowned in 1978 from a seizure. He formed Deliverance Ministries, Inc. in 1984 so that more people could be helped through training and numbers of ministers doing the SUPERNATURAL works of Jesus. Today, those who have been trained minister to hundreds of people each week throughout the United States and the world.

What kind of miracle do you need? Plan to come this Monday night at 5.30 pm in order to receive the miracle the God has for you.
