

# **LIES, LIES, LIES... THE SATANIC LIE PROGRAM...**

## **WHAT LIES ARE YOU LISTENING TO?**

Demons think that they have sucked us in. Evil spirits lie to us left and right... problem is, so many of us buy into their lie program and follow their lead like puppets on a string. Christians are so hungry to hear a word from God, they actually think that any voice speaking to them is the voice of God. That is what Emily (not her real name) bought into. She had gotten saved and filled with the Spirit. She was hungry for more. Hearing so many on TBN say that they heard the voice of God, she wanted to hear the voice of God for herself. Lying spirits sent by satan were most happy to help her. These are some of the lies she bought into:

“I am the Holy Ghost.”

“I am God.”

“I forced her to put mucus on her face.”

“Do not talk to your family.”

“The dog was healed.” (It was a lie)

“Her back was healed.” (It was a lie)

“Take money out of her retirement fund.”

“Sell the truck.”

“Buy more clothes.”

“I influenced her to say things so she would not be hired.”

“Your dad died because of you.”

The lying spirit also said they instituted a program to block her memory, to control her, to drive her crazy, to cause pain in her back, and to block her immune system. The spirit of poverty made her spend all her money. Spirits caused her dog to die. Strangely enough, when fear would manifest it brought an unusual odor.

Emily felt so tormented and was so desperate to get free that she searched the web for answers. She was unable to find anything regarding “lies” or “the devil lies”. She finally started searching for “deliverance” and found Deliverance Ministries website at [www.delmin.org](http://www.delmin.org). After spending some time on the web and coming to a Monday night introduction at 5.30 pm, she was fully convinced she could be set free.

After receiving ministry, Emily was ecstatic about her new found freedom... so much so that she started getting trained so that she, too, could help others be set free. She now ministers from time to time out of her home and knows the joy of “testing the spirits to see if they are from God.” I John 4.1.

What kind of miracle do you need? Plan to come this Monday night at 5.30 pm in order to receive the miracle the God has for you.
