

## **FEAR**

Lee had been born again and filled with the Spirit of God for 16 years before she came to us and received ministry. She was especially tormented with fear. Not surprisingly, she was fearful about coming for deliverance, but finally came because some of her Christian friends supported her. She reported this anxiety would come upon her at night when she would try to go to sleep. After we began the process of ministry, it became obvious there was a lot of generational fear coming against her. Fear had been a major problem with her ancestors for many generations. The power of God and Jesus' Name broke the generational curses. During the session, several dozen spirits, including more than one spirit of fear, were commanded to go. Lee reported that she shuddered physically as the spirits came out. When all of them were gone an "immediate" change took place in her life! Jesus set her free. Seven months later she reported that she was still free.

What kind of miracle do you need? Plan to come this Monday night at 5.30 pm in order to receive the miracle the God has for you.
