

## **FEAR WAS THE HEAD DEMON**

Fear is certainly the most common major evil spirit bothering Christians. Yet the bible is very clear we are "to fear not" and "God does not give us a spirit of fear" so it is clear where the fear is coming from. Last Monday I was able to get the head demon of fear up in a young Christian lady that is attending high school. The head demon admitted it and the demons under it's authority were "doing a successful job on her and blocking her from using her God given gifts." It also disclosed nine lies it was speaking into her head. It was proud of how she was accepting many of the lies as a truth. The demon also acknowledged that the opposite of the lies were truth. I later went over the lies that I had written down on my yellow tablet and reversed them so she could see the actual truth. During the ministry session, she was able to hear the head demon talking through her. I discuss the head demon technique in my book. Something else, I am able to get the head demon up only in about 1 out of 3 people, some people, it seems, are just not sensitive to manifestations, even though most people get free in doing basic deliverance of working the problem list. The head demon technique, when it works, is faster and very efficient.
