

## **BAPTISM OF THE HOLY SPIRIT...**

Every Monday evening people come for ministry because they are hurting inside or they are tormented by evil spirits and they are desperate for freedom. After they receive ministry they are so open to receive the power of the Holy Spirit, the baptism of the Holy Spirit and most of the time they receive a heavenly language speaking in tongues or another language. It is such an easy transition from receiving supernatural ministry to receiving the source of the supernatural with the Baptism of the Holy Spirit speaking in a new language mysteries to God. Hallelujah!

## **I WAS HINDU...**

My fiancé asked me to come to Deliverance Ministries before we get married this coming weekend. I thought that anyone could get deliverance and I knew that I was tormented by many evil spirits. When I sat down with the minister we discussed by faith as a Hindu vs. the Christian faith. We spent the whole ministry session discussing Jesus Christ and His plan for my life. I ended up surrendering to Jesus, renouncing my Hindu religion and experienced a glorious salvation. I am now a new man in Christ. Marriage will look totally different and I will come back for deliverance.

## **HARRY POTTER...**

Is this book promoting witchcraft or Jesus?

Demons use any book that promotes witchcraft as a door to torment the reader. Even having such a book in the house can give legal rights for demons to be there tormenting all those in the house. It is "giving place to the devil." Ephesians 4:27 Witchcraft is "an abomination unto the Lord." Deuteronomy 18:10-12

I have heard stories of young people that are reading Harry Potter that get caught up in the "demonic powers" so they go on line and pull up witchcraft web sites to try to learn about this. Demons are happy to enter.

We have an obligation to protect our children.
