

I FELT THE DEMON LEAVE

This last Monday night one of the individuals receiving ministry felt demons leave through her hands, off the top of her head, coming up from her stomach all the way to her throat and out through her mouth.

I felt heavy things go from his hands during the breaking of ungodly soul ties. Amazing!

I felt the demon in my stomach and it came out. Hallelujah.

Another individual's soul had been fragmented at age 6. Their broken soul was taken by a demon of hate into a dark cave and held there until Jesus led me into that cave and rescued this 6 year old fragment of her soul, bringing him out and reuniting the fragment with his soul. What peace. What a miracle.

My life with Jesus has improved "exponentially" after deliverance. Hallelujah!

They put the Bible on my chest and commanded the asthma to go in Jesus Name. All of a sudden, I felt heat on my chest. This has to be God.

When I came Monday night, fear was gripping me. Everything I was doing, everywhere I went, everyone in my family became a source of fear for me. At the end of the ministry I began to feel the fire of God envelop me like a blanket. Amazing!

Jesus hugged me; then I yawned, burped, threw up, sneezed, cried, laughed, my eyes changed; then, all the pain left. I am sooooo... free and happy... calm.

What kind of miracle do you need? Plan to come this Monday night at 5.30 pm in order to receive the miracle the God has for you.
