

## **JESUS HUG...**

Jesus love is so real! I feel Him holding me in His arms, loving on me. Letting me know how much He loves me and cares for me. I feel His peace and His joy. Something is changing inside of me as I let Jesus love on me. How wonderful to let Him just love on me.

I felt such amazing peace... all of a sudden, the migraine headache I came in with was gone.

All of my life I have practiced Buddhism. However, tonight, while I was praying through the door closing prayer I saw Jesus for the first time and received Him as my Savior. I am different inside. Something amazing has happened to me.

I felt Jesus hug me. His love is so amazing. It is so real.

Every time I broke an ungodly soul tie, Jesus came to me and spoke to me about that relationship. He loved on me and showed me His love for me. I can now just rest in His love.

## **SOMETHING MOVED IN MY ...**

During the deliverance part of the ministry I received, I felt something move in my stomach. Then, it proceeded to move up from my stomach to my mouth and I coughed out whatever it was. It's gone! Amazing. All evening, during this part of the ministry I kept feeling something in my stomach begin to squirm; then, to move up and out my mouth. I kept burping and coughing and yawning. Very un-lady-like. Very uncharacteristic of me. Hallelujah.

As you were commanding the evil spirits to go... I felt them leave my back, my neck. I coughed some of them out. Others went out my ears and some of them went out my hands. Weird feeling.

While I was participating in the door closing prayer, closing the doors to the devil, I felt like I was outside of my body making those declarations. Amazing.

My hip popped when they were speaking to my hips, commanding them to move into their proper place. It actually popped! Now, I don't have anymore pain.
