TESTIMONIES – MOTHER IS A WITCH

My mother was and is a witch. She continues to practice witchcraft hassling me, other family members and others. After inner healing for depression, fear and doubt I felt much better. Even the headaches went away. Now I have tools to fight witchcraft spirits that might attack me because of my mother. I am more than a conqueror through Jesus Christ my King.

I made a terrible mistake involving myself in mysticism, the occult and witchcraft. We commanded spirits of the occult, adultery, discouragement, separation, rebellion, and others to go in Jesus Name. It was sooo good to get rid of those occult, tormenting spirits.

CUBA OUTREACH

We now have a new relationship with Cuba that is expanding our vision and our opportunities. We are now working with a group that has more than 100 congregations, 15 authorized by Cuba because they are more than 60 years old, unsanctioned congregations, underground churches and house churches. Smallest house church is 150. By the way, they minister deliverance. Also, we will be concentrating our mission in a different part of the island in order to reach out to the Tiano tribe located near Guantanamo Bay. Because of the changes this year and because of new opportunity, we have pushed back our timing to October or November. Also, we are expanding the time frame from 7 days to 10 days on the ground. Budgets are being finalized and dates are being set. Because of the number of days that we are going to be in Cuba, the cost will be approximately \$3,500 each, totaling \$14,000. We are trusting God to provide a sailboat or something similar to travel by water to various parts of the island for ministry purposes. Richard Peterson, Tim Bence and 2 others are stepping out in faith. 2 are fluent in Spanish and one is from Cuba. Because of current pledges toward Cuban mission outreach, \$11,000 will be available by October, 2015. An additional \$1,925 has been received or pledged so far. This will be a significant opportunity because of the ministers who are going. So, we will need an additional \$1,075 for the trip (approximately). There are many needs the Christians have in Cuba. Please pray about giving for this outreach. You will be blessed as you give.

PROPHETIC WORD RE: MINISTERS

Do you hear it -- softly, like a heartbeat, it's the sound of life in My people. The sound is rising -- the cadence is increasing. The crescendo is increasing. But all the while the world is roaring with the sound of evil and death. Destructions and decay. But keep you affections on things above and not on things below. My Kingdom is increasing and there is NO END to it's increase. My people are beginning to move as a body, each one in his place. Each one submitting to his calling -- empowered by My Spirit and led by My grace. Keep your eyes, your focus and especially your words on the victory I have purchased for you. Walk obediently in that thing... that thing I've called you to. For you are an important part of that rising cadence that sound of soldiers marching side by side in tune with My calling and part of a great, victorious army that is about to be revealed to the world.

PICTURE OF MINISTRY ON MONDAY NIGHT

Mary Jo shares prophetically in this **video** re: Ps. 43 as a picture of how a person feels when they come for ministry, the picture of the spiritual realm, the demonic realm and the victory that is experienced as they embrace the process of healing their broken heart, deliverance, physical healing and the baptism of the Holy Spirit. The book of Psalms is a deliverance manual giving us pictures of victory in Jesus.
