

Contribute online at <http://delmin.org/donate>. Many are partnering with this ministry, sowing weekly and monthly into this ministry because we are affecting many lives in such a powerful way **Doing the SUPERNATURAL Works of Jesus.**

Deliverance Ministries functions because of volunteers who come on Monday nights to sow their time into the Kingdom of God doing the SUPERNATURAL works of Jesus. We need volunteers to do some office work.

Please tell your friends what you have experienced at Deliverance Ministries on Monday nights.

Local Ministry

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others, need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

Thank you

We want to thank Carol Gordon, Heartmenders.tv, for taking time out of her schedule to come to a training session at Deliverance Ministries to share the revelation that God has given her regarding "Daddy hugs" and Momma hugs". Henry Wright had verified that the ministry of hugs is so vital in people's lives. Carol shared with us that we need to receive 8 hugs per day in order to sustain our lives in God's love. The Father's love is released whenever the ministry of hugging is going on. So many that we minister to weekly have never received love from their mother or father or grandparents growing up. Carol has ministered under the name Heart Menders almost as long as Everett has ministered deliverance. She ministers every Tuesday night in the same location, 900 N. May Ave., at 7pm. This is the video of her training:

Testimonies

Worship times for the ministers who come for training and to minister to those who come on Monday nights is most important. We experience the presence of God and corporately move into a deeper relationship with the Lord. The other night, during our worship time when we were playing an Ihop.org recording, one of the men had a vision of the ministry the Lord wants him to establish in Elk City, OK. Craig has a tremendous testimony of his own deliverance and miraculous healings in many areas including diabetes. He drives from Elk City every week in order to get the training necessary to start a deliverance ministry in Elk City.

These are thoughts that came through the discussion with Deliverance Ministers on Monday nights: Whenever we go to the zoo, we recognize that God has given us authority over the animals and call animals to come to the front of their exhibit so that my children can enjoy them. We command them to come to the front and they do.

We are a conduit for the love of Jesus. He loves other people through us.

I have ministered to an individual in the hospital who was retarded and on suicide watch. She is now speaking clearly and coherently.

When ministering from conception through the womb the individual I was ministering to saw Jesus in the womb exclaiming, "Jesus is so little. How did He get in here?"

During the last year we have given basic training to 133 individuals who have come from 53 different churches. The word is getting out and has been getting out for the 28 years Everett has trained people in this Works of Jesus. We now have better tracking methods to be able to know where people are coming from. How exciting.

For 3 days at the Medieval Fair in Norman in April Revolution Church, Pastored by Ken Wood, a good friend of Everett's and a friend of Deliverance Ministries, Ken and people from his church manned a booth entitled "THE SUPERNATURAL BOOTH" trusting God to SUPERNATURALLY help them by His Spirit to interpret dreams and speak prophecies into people's lives. During these 3 days they ministered to 415 individuals, led many into a saving knowledge of Jesus Christ including 4 satanists. One of the 4 satanists actually took her necklace off and handed it to those ministering to her renouncing her involvement in satanism.

Recently, someone diagnosed as Paranoid Schizophrenic was referred to me for ministry. He works at night; so, I ministered the first time for 4 hours in the office after he had fasted for a week and 3

hours the second time as a team with Jack Freeman. I must say that the team ministry was much better. Jack and I decided that team ministry seems to function much better and prefer ministering in teams for the future. As the ministry progressed, we felt led to go ahead and command the spiritual roots of Paranoid Schizophrenia to go in Jesus Name and ministered strong imagery based on the Word of God because of his strong support system. The good news is that he has followed through with more self-ministry and is embracing the disciplines of the Holy Spirit that will keep him free. He is doing extremely well with his walk-out process continuing to recognize what the enemy is tempting him with, taking responsibility, repenting and renouncing, removing any sin, re-submitting to God, resisting the devil with his devices and rejoicing in his victories over the enemy. We believe that we will see more people who are at the end of their rope submit to ministry that have been diagnosed with Paranoid Schizophrenia and Bipolar disorders. Other ministers have given testimony to victory over these demonic disorders as well as Alzheimers. They have to bow the knee in Jesus Name. -- Richard Peterson

International Ministry

I put a sign in the window at the Deliverance Ministries office stating, "International Call, Please Do Not Disturb" because I was ministering to a woman in Southern India via www.oovoo.com video conferencing. Because this was a personal referral for ministry, I decided to do the ministry. So, I ministered with video streaming from her end in India and video streaming from my end in Oklahoma City, 10.5 hours difference in time and had good success. The ministry took 5 hours on www.oovoo.com after two hours video on our website. It was much better than ministering by phone because I was able to watch her response to what we were going through. During the door closing prayer and the breaking of ungodly soul ties there were yawns, coughs and some vomiting. The tricky part was the limb check. I spoke to her brain stem, plates in her cranium, c1 and c2 to adjust. I commanded her frame to line up. She had to be feeling better because of the ministry time. This goes along with Everett's dream of having several cubicles lined up with individuals ministering in other parts of the U.S. and the world via www.skype.com or www.oovoo.com or by phone. Dreams do come true. --Richard Peterson

Today, we have gotten a call from Sicily asking to speak to Everett Cox. Our new website is taking this works of Jesus globally.
