

Contribute online at <http://delmin.org/donate>. Many are partnering with this ministry, sowing weekly and monthly into this ministry because we are affecting many lives in such a powerful way *Doing the SUPERNATURAL Works of Jesus.*

Deliverance Ministries functions because of volunteers who come on Monday nights to sow their time into the Kingdom of God doing the SUPERNATURAL works of Jesus. We need volunteers to do some office work.

Please tell your friends what you have experienced at Deliverance Ministries on Monday nights.

LOCAL MINISTRY

Another Monday of supernatural signs by God's power! A total of 19 came for ministry on July 9, and a trained minister for each doing the breaking of ungodly soul ties, healing of emotional wounds of the past, deliverance and physical healing. No wonder we as the ministers go home being high on the Holy Spirit. My high usually lasts for several days.

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Please plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

THANK YOU

Our marriage is new. Yesterday, my husband and I had the best day ever in our married life. I received ministry a month ago. After I came to Deliverance Ministries for help my husband saw such a change in me that he just had to go through ministry. After he received ministry, we had the best Sunday ever in our marriage. What a blessing.

TESTIMONIES

I have been down there several times. I had still always felt something was still missing well this last time we kept praying and when we got to the generational curses that demon did not want to leave. Well of course it had to in the name of Jesus. And it did. I gagged and yawned and coughed. I had white stuff coming out of my mouth. I didn't realize it was so deep. My five yr old is in a mental hospital and can't wait to get him out. And I will be bringing him down there as soon as he gets out. Thank you for being obedient to the lord. All the glory and praise belongs to Jesus.

A Pastor in Carlsbad, NM said that he and several others were at the church one week day when he received a call from this brother's wife. They belonged to their church. This man was scheduled to do his first sermon at the church the coming Sunday. The wife says she just got a call from her husband and he says he thinks he is having a heart attack. But instead of heading to the hospital he tells his wife he is going to the church for prayer. The Pastor and the others look out down the street and finally see his car weaving and finally driving up into the church yard. The man is slumped over the steering wheel. They pull him out unconscious onto the grass, they call 9-11 and they start praying for him. The Lord speaks to the Pastor and says, "Stop praying for him and command the spirit to go in my name." The pastor tells the others and they command the spirit to go in Jesus' Name. The man lurches, a voice comes out of his mouth and says, "He will never preach, he will never preach, he is going to die, Ha, Ha, Ha." They stay in attack mode, the man jerks and suddenly he is back to normal! I have always remembered the testimony and to be ready to command a spirit of death or heart attack, infirmity, etc., to go if this seems to be happening to someone.

Ministering to people in missions opportunities and on the streets is totally different than ministering on Friday night. The Prayer at Distance is quite effective as it is applied with a twist. [Link](#). On two different occasions Mary Jo and Richard Peterson have had a very positive deliverance after prayer to bind the strong man, open up a spiritual strong box in the person, silence evil spirits, gagging them, command all demons harassing the person to go into the strong box calling on the angels to help get them into the strong box, shut the box and lock it, asking the angels to take it to the feet of Jesus. In both cases, there was an immediate response... in one case the person woke up and started acting normal after being catatonic all evening and in the other case the young 21 year old woman felt joy, started laughing, got up

and ran around the room saying that she felt so hot from the presence of the Lord. We certainly need to be led by the Spirit as we are involved in ministry.

INTERNATIONAL & NATIONAL MINISTRY

Cuba: Kyle Upchurch and Johnnie Mae Sanchez were in Cuba October 5-14, ministering to native Cuban's on the street and in the poorest neighborhoods of Cuba with their guitar and violin. "It was amazing to watch Jesus work through us to release miracles." After meeting a team of deliverance ministers, Kyle found opportunity to train them in the head demon technique and gave them Everett's book and materials in English and Spanish. These Free Will Baptists saw hope that they could deal with the darkness more effectively in Cuba. They met with the wife of the high priest of santeria, i.e. satanism in Havana, Cuba who invited them to come back any time. [Link to report.](#)

Indonesia: Hi Mr. and Mrs. Peterson, Maybe we can bring the team to Indonesia. There are a lot of people captive here, I am here for three months to do delivering ministry. Please pray for it. Thanks, Dorris S Jeffery

Tulsa, OK: This November will be two years that Sandra Williamson has led GOD'S ER in Tulsa, held at Victory Christian Center. During this two year period GOD'S ER has trained church leaders from many different states as well as other countries. Sandra Williamson and Richard Peterson have corroborated on further development of the breaking of ungodly soul ties, sharing the ministry of Dr. Anna Mendez-Ferrell and her books including Regions of Captivity and Iniquity, providing a declaration to break the curse of poverty, and other materials. They have seen 585 individuals, but most return many times for further ministry and the follow-up classes. They went to the Dominican Republic in March, 2012, and trained 85 pastors and leaders in how to facilitate God's E.R. in their own churches. Our program is now being used at the Dream Center in Tulsa, Puerto Rico and France. [Link to report.](#)

Elk City, OK: Professional counselors have teamed up with deliverance ministers who have been trained in Oklahoma City to minister in their area. It is truly exciting to see what happens when people feel a call to minister the SUPERNATURAL works of Jesus, get trained and step out to do it. God is good.

Naples, FL: We have had 4 take the time and fly to Oklahoma City because they wanted to be able to learn our process for driving out demons. A pastor and 3 women who do missions to women in South America have learned our basic process and implemented it in their ministry starting their own meetings to help those tormented in South Florida.

South Oklahoma City, OK: After receiving ministry on a Monday night, a believer has begun to drive out demons in his home, working with people that are tormented. Two team leaders also do ministry in Moore and Norman in addition to ministry on Monday nights. Ministry has expanded to a Christian Counseling service in Moore.

Your city, Your state: We are developing training on video so that you can step out and do these supernatural works of Jesus wherever you are in the world.
