LOCAL MINISTRY

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Please plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

THANK YOU

One woman was extremely vocal about her gratitude to God for being set free this last Monday night 11.26.12. She felt so much better... so much lighter... so full of joy... she was overflowing with gratitude.

I got a job. I have been searching for months. As part of your ministry, you agreed with me in prayer that I get a job. I got it today, 1 week 3 days after we prayed. I used to be totally hopeless, now it's a new season. It's a new day. Fresh anointing is glowing my way!! It's a season of power and prosperity. It's a new season and its coming to me. Thank you Jesus.

TESTIMONIES

Sleep Apnea healed... Everett Cox told me (Richard) today that he was healed of sleep apnea years ago. Because of snoring, he went through the process of being tested overnight in a sleep lab to find out that the doctors diagnosed sleep apnea. The Holy Spirit led him to speak to the channels that were squeezing and blocking air commanding them to open. He was using the "all power" given to us by Jesus and commanded the air channels to open up and for all obstructions to disappear. From that moment on he has been healed. No more snoring.

Last Friday night I had a social gathering for the women in my neighborhood at my house, and one of the women who came had this issue. I'd never met her before so in a sense I was unprepared to see that spirit show up. But it was amazing to see God work in the midst of a social setting. The Holy Spirit hovered upon her, bringing her to a place of tears and opening the door for me and another Spirit-filled believer to pray for her and cast out a spirit of fear that was manifesting. All of this without disturbing the other guests in attendance. When the woman left, she said she felt peace and a sense of hope that she'd not know for a long time.

INTERNATIONAL & NATIONAL MINISTRY

Cuba: As Kyle is preparing for a trip to Havana, Cuba in March there are new team members being added because they are being called by God. Do you have a heart for Cuba? Are you an intercessor? Is God asking you to go? Are you supposed to give toward the cost of someone else going? Please let us know what the Lord is saying to you about Cuba. During this trip, there will be opportunity to train the deliverance team that is part of the Free Will Baptist Church there.

Kyle Upchurch and Johnnie Mae Sanchez were in Cuba October 5-14, ministering to native Cuban's on the street and in the poorest neighborhoods of Cuba with their guitar and violin. "It was amazing to watch Jesus work through us to release miracles." [Link to report.](#)

Indonesia: Hi Mr. and Mrs. Peterson, Maybe we can bring the team to Indonesia. There are a lot of people captive here, I am here for three months to do delivering ministry. Please pray for it. Thanks, Dorris S Jeffery

Tulsa, OK: This November will be two years that Sandra Williamson has led GOD'S ER in Tulsa, held at Victory Christian Center. During this two year period GOD'S ER has trained church leaders from many different states as well as other countries. Sandra Williamson and Richard Peterson have corroborated on further development of the breaking of ungodly soul ties, sharing the ministry of Dr. Anna Mendez-Ferrell and her books including Regions of Captivity and Iniquity, providing a declaration to break the curse of poverty, and other materials. They have seen 585 individuals, but most return many times for further ministry and the follow-up classes. They went to the Dominican Republic in March, 2012, and trained 85 pastors and leaders in how to facilitate God's E.R. in their own churches. Our program is now being used at the Dream Center in Tulsa, Puerto Rico and France. [Link to report.](#)

South Oklahoma City, OK: After receiving ministry on a Monday night, a believer has begun to drive out demons in his home, working with people that are tormented. Two team leaders also do ministry in Moore and Norman in addition to ministry on Monday nights. Ministry has expanded to a Christian Counseling service in Moore.

Your city, Your state: We are developing training on video so that you can step out and do these supernatural works of Jesus wherever you are in the world.
