

Contribute online at <http://delmin.org/donate>. Many are partnering with this ministry, sowing weekly and monthly into this ministry because we are affecting many lives in such a powerful way *Doing the SUPERNATURAL Works of Jesus.*

Please tell your friends what you have experienced at Deliverance Ministries on Monday nights. Invite them to experience the same freedom you have experienced. We have cards available on Monday nights and at the office for the purpose of handing out to those who are experiencing problems that are most likely caused by evil spirits. Pick up cards and hand them out.

LOCAL MINISTRY

5:30 pm Monday nights beginning January 7, 2013 at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Please plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

THANK YOU

Thank you so much for your prayer and support. I feel so honored and blessed. Family members of mine have been so pleased to see the peace and contentment that seems to have washed over my husband, children & me. Many non-believers have commented, as well. This has opened up such an opportunity to share our testimony of Jesus' faithfulness and provision. We will probably be back, soon. I have several friends and family members who would like to be a part of the deliverance ministries, as well.

An 8 year old boy thanked me for ministering to him on a Monday night by making a boat and an insert in that boat including a picture of the cross and Jesus. He was very enthusiastic about showing me the boat and the insert in the heart of the boat. His dad was there to receive ministry that same evening. Thank you, Jesus, that children can be set free.

QUOTE & MISSION STATEMENT

The Spirit of the Lord God is upon Me, because the Lord has anointed me to preach good tidings to the poor; He has sent me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound; (Isaiah 61:1 NKJV) This is Deliverance Ministries mission statement.

TESTIMONIES

We have had 3 calls for ministry re: sleep apnea and insomnia... All three of these men are in ministry, experiencing severe fear and condemnation. All three of them were not aware of the Father's love. They were prime candidates for deliverance and for Jesus to speak into the very source of the problem. This is a situation where fear has become such a strong habit in their lives that it has affected their dna causing physical manifestations of demonic strongholds. Out of my own experience, I know that their walk out process may take some time; however, Jesus has paved the way through the cross to give them victory over fear. There is no fear in love. Perfect love casts out all fear. Ministering the Father's Love has been a key. One of those men called the office today to testify to the fact that he is almost back to normal. Prayer, deliverance, application of the I AMs and the Deliverance Prayer, and putting into practice information in Say Good Night to Insomnia by Dr. Gregg D. Jacobs combined to make a difference. He was excited to see that he has turned a corner and is now able to sleep.

This ministry saved me. I believe I was on a self destructive path with my addiction. I was getting into intentional and deliberate debt with dealers knowing I couldn't pay them, making up lies and promises to get the drug and putting myself in great danger in drug areas and dens. I was in a house that got raided by a drug task force the last time I got high and God saw fit for them to let me go. It was a huge wake up call for me. Satan had a hit out on my life and was blocking everything in my life that was going to make me head in the direction of God's will. The spirits afflicting me were very stubborn and did not want to fail the mission they had been given to block me from the will of God. I had immediate results! My life was

transformed in a session..... I was finally ready to receive all that God had for me and boy did I receive!!! 30 spirits of addiction were driven out of me along with 7 spirits of anger and several other control and destruction spirits.... Not only have the addiction and smoking went away... I had been chewing on my tongue for years as an after effect of the drugs... Gone!!!! I used to twitch my fingers when I walked.... Gone!!!! I used to get angry and blow up over small events!!! Gone!!! Everything has changed!

I have been through deliverance in October of 2009 and was delivered of rage & anger and many other demons that have sent my life free and changed.

Recently, I picked up the [Prayer to Break the Curse of Poverty](#) that was available in the War Room on Monday nights. I took some time and declared the prayer out loud. Actually, I yawned my way through the declarations. If you have had financial challenges, going through this declaration may make a lot of difference. This prayer is now available on our website. Click on link above.

What kind of miracle do you need? Plan to come this Monday night at 5.30 pm in order to receive the miracle the God has for you.

2013

We are now into 29 years of weekly ministry sessions with over 50 Christians ministered to each month on a one on one. While this is still a drop in the bucket compared to the need it is over 600 per year.

One of goals for 2013 is to make it easier for people on line to find us. Many do not know what "deliverance" means but when they are having demonic or haunted house problems they look up Paranormal, ghosts, exorcisms, evil spirits, and or poltergeist. We are hiring a computer specialist to help us do this as we feel we are missing a lot of calls. It appears the cost will run around \$3500 for the first year. If any of you feel led to help us with some of this that would be wonderful.

QUESTIONS ANSWERED

Recently, we had a question regarding animals. Can animals be possessed? Why? Here was my answer: Animals can be under the influence of demons or evil spirits. Possession is not a word that is used in the original language of the NT. The primary reason animals come under the influence of demons is because their masters are under the influence, they have had a trauma in which demons came in or human beings assigned demons to them by cursing them. We have to be very careful of the words that we use when we address anyone, including our pets. We are to bless and not to curse.

INTERNATIONAL & NATIONAL MINISTRY

Elk City, OK: Craig Platt is beginning a weekly Monday night Deliverance Ministry based on training and ministry he has received in Oklahoma City. He is excited about the doors that are open for ministry in Elk City. If you are interested in volunteering with him in this new venture, contact him at (580) 374-7122. Craig has already had some pretty spectacular ministry and events taking authority Jesus has given to him in Elk City America.

Indonesia: We have authorized a woman from Indonesia who lives in Oklahoma City and has a heart for Indonesia to translate Everett's book and additional materials into their language so that she can have it published in their language to train people in the church to do the SUPERNATURAL works of Jesus. We have discovered that there are several people in Oklahoma City that have an interest in Indonesia and have ministries already established there. Our plan is to connect them so that we can develop a plan for the release of this book in their language and the training of local believers. Jesus said, "Believers shall drive out demons," Matt. 16.

Your city, Your state: We are developing training on video so that you can step out and do these supernatural works of Jesus wherever you are in the world.
