Many are partnering with this ministry, sowing weekly and monthly into this ministry because we are affecting many lives in such a powerful way ***Doing the SUPERNATURAL Works of Jesus. Please consider giving \$10.00 per month or more to partner with this ministry.***

Please tell your friends what you have experienced at Deliverance Ministries on Monday nights. Invite them to experience the same freedom you have experienced. We have cards available on Monday nights and at the office for the purpose of handing out to those who are experiencing problems that are most likely caused by evil spirits. Pick up cards and hand them out.

LOCAL MINISTRY

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Please plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

THANK YOU

No more suicidal thoughts. Thank you.

The man who stabbed people on campus is being evaluated concerning mental problems...how about evaluating him for demons? He said this compulsion had been with him since he was eight. Sure sounds like something came into him then. This would just be one of three dozen or so evil spirits he is tormented with.

Also this last week, Pastor Rick Warren of the Saddleback mega church in California just lost his son to suicide. It is pretty sad that so many churches never focus on the demonic possibilities. Our teams run into these spirits constantly. All we can do is try to get the truth of this works of Jesus out to the people.

TESTIMONIES

We can count on God's protection for our families based on Psalm 91 when we activate the blood daily, speak the word of God over our families and call on angels to protect us. Josh, my son in law, remember me telling you that his helicopter would have crashed but he saw a ship and landed the helicopter on the ship in the Gulf of Mexico. Here's the miracle. Jesus... His mighty Angels with Him. It was an old helicopter. No auto pilot. Praise Jesus!! Psalms 91:11 we say. From our Daughter: Just a praise Jesus report!! They found out what caused the bad noise that caused my husband to make an emergency landing on Sunday. There are 4 bearings that are held on by 4 bolts on the drive shaft that goes to the tail rotator. (The pinwheel on the tail, lol) well, all 4 bolts broke!! The only thing that was holding the shaft in there was friction they said... Or angels, I say!! If they came out it would have been a crash landing with 10-15 swell of waves that day!! The tail rotator keeps the helicopter from just spinning in circles!! Thank God he sent his angels to watch over him!! Another close encounter of death averted!!

All of these years I have believed the lies the devil has placed in my mind. I didn't think much of them because I thought they were my thoughts. Now that I know they are not my thoughts, I am beginning the process of taking every thought captive to the obedience of Jesus declaring the truth of what the Word of God says about me and those I think about.

As I was receiving ministry I realized I felt better, the fatigue was leaving, I was more alive and more awake and I felt much lighter. All the heaviness was leaving. Hallelujah!!!

As the minister was speaking over my back commanding it to adjust, the pain I have felt for years left. No more pain!

I'm all smiles. I can't keep from smiling. Thank you Jesus.

Peace. It is wonderful to experience peace. Amazing.

When Richard told my back to adjust, I felt it move. All the pain is gone!

I came for ministry tonight because I had a dream leading me to come and receive ministry from one of the ministers specifically. One of the other ministers had been seeing me in an open vision all day and had been seeing a specific area of ministry. She shared it with the person who ministered to me. It was a divine appointment and I feel much better. Thank you, Holy Spirit, for preparing the way.

May we all get dumber and dumber. In the past, I have been thinking that no one can be healed from Alzheimers. I have never heard any testimonies and my wife has been suffering from Alzheimers. During the month of April I began to pray for her healing. Guess what? She is getting better. We are dealing with the root causes of Alzheimers, commanding the darkness to go, while at the same time speaking creative miracle into her brain, commanding the fluids around her brain to shrink and her brain to expand and be restored to full capacity. I am dumb enough to believe God's Word is true. She is showing signs of marked improvement.

INTERNATIONAL & NATIONAL MINISTRY

CUBA: Several are planning a mission trip to Cuba in December. It will be a trip focused on deliverance, spiritual warfare, healing... ministry on steroids. The reason for going in December is Festival of Lazarus... they worship Lazarus before he was healed, leprosy sores on him on crutches with dogs licking his wounds... there is a procession for people to go receive their healing... all part of Cuban Catholic Santaria; i.e. the merger of Catholicism and satanism. Please pray for those going... warring angels with swords drawn, do warfare on their behalf pulling down strongholds in the same way that the prince of Persia was defeated in the time of Daniel, saturate them with the blood of Jesus, give them wisdom and understanding to work with the church in Cuba and their deliverance team. We release the blessings of God to do the supernatural works of Jesus.

ELK CITY, OK: Craig Platt has begun a weekly Monday night Deliverance Ministry based on training and ministry he has received in Oklahoma City. He is excited about the doors that are open for ministry in Elk City. If you are interested in volunteering with him in this new venture, contact him at (580) 374-7122. Craig has already had some pretty spectacular ministry and events taking authority Jesus has given to him in Elk City America.

INDONESIA: We have authorized a woman from Indonesia who lives in Oklahoma City and has a heart for Indonesia to translate Everett's book and additional materials into their language so that she can have it published in their language to train people in the church to do the SUPERNATURAL works of Jesus. We have discovered that there are several people in Oklahoma City that have an interest in Indonesia and have ministries already established there. Our plan is to connect them so that we can develop a plan for the release of this book in their language and the training of local believers. Jesus said, "Believers shall drive out demons," Matt. 16.

IN-DEPTH MINISTRY: Recently, an international minister shared with us the process of ministry functioning in South Africa. Peter Horrobin agrees with this approach. First, salvation. Second, assignment of intercessors, heal the broken hearted, forgive, and interview to discover all sicknesses in the family line. Third, deliverance (keep list for further family use) [end of first week]. Fourth, discover gifting and callings from the Holy Spirit [end of second week]. Fifth, capitalize on the first six month zeal

for the Lord to contact friends and family to give testimony to the grace of God for salvation, heal their sickness and lead them to the saving knowledge of Jesus Christ through the new birth. Keep them involved in the process of setting the captives free. Instead of a 5% rate of assimilation into the church, there is a 94% assimilation. People feel like they are a part of something that matters. They become productive members of the body of Christ. QUESTION: How can we partner with churches to walk through this process?

YOUR CITY, YOUR STATE: We are developing training on video so that you can step out and do these supernatural works of Jesus wherever you are in the world.
