Many are partnering with this ministry, sowing weekly and monthly into this ministry because we are affecting many lives in such a powerful way ***Doing the SUPERNATURAL Works of Jesus. Please consider giving \$10.00 per month or more to partner with this ministry.***

Please tell your friends what you have experienced at Deliverance Ministries on Monday nights. Invite them to experience the same freedom you have experienced. We have cards available on Monday nights and at the office for the purpose of handing out to those who are experiencing problems that are most likely caused by evil spirits. Pick up cards and hand them out.

LOCAL MINISTRY

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Please plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

THANK YOU

It is so good to know there is a place where I can come and not be judged so that I can get free from the things that tempt me and torment me. I am so grateful for those of you who are involved with this ministry called Deliverance Ministries. Thank you.

QUOTE

It is all about walking with God, being His friend, rather than religious activities. We get to walk with God all day, every day in everything we do.

TESTIMONIES

ALLERGIES GONE: I have been meaning to write to you to report about my allergies and my warfare. First, I would like to say thank you for praying and for your recommendations. I did go to the website and re-did the "door closing prayer" and it did seem to work wonders. I have/had been doing the other things to apparently no avail. However, since going to the website, I printed off the door closing prayer, and read it out loud. It was well worth the time. As it seemed I received almost immediate relief from allergies. I have since gone to parks and stroll and even been to plant and flower shops (places that used to be very dangerous for me) and had no issue. So as needed, I pray the door closing prayer again at times, and it I feel almost immediate relief (from whatever the issue is). Blessings upon you,

RED DRAGON STATUE: I received deliverance about a month ago and I have felt a lot better. However, I have experienced more and more pressures. Thoughts of suicide have started filling my mind again. You shared with me Derek Prince's experience with red dragon tapestries. I realized I had a red dragon statue in a box in my closet. It was given to me as a house warming gift. I never even thought about it. The dragon in scripture represents the enemy. I am a daughter of the King and don't want anything representing the enemy in my home. After additional deliverance and 4 alternate personalities being saved and brought into the white light of the Holy Spirit I am feeling a whole lot better. I love Jesus with all of my heart and desire to serve Him to the best of my ability. I got rid of the statue. It is so good to feel so free.

INTERNATIONAL & NATIONAL MINISTRY

CUBA: Several are planning a mission trip to Cuba in December. It will be a trip focused on deliverance, spiritual warfare, healing... ministry on steroids. The reason for going in December is Festival of Lazarus... they worship Lazarus before he was healed, leprosy sores on him on crutches with dogs licking his wounds... there is a procession for people to go receive their healing... all part of Cuban Catholic Santaria; i.e. the merger of Catholicism and satanism. Please pray for those going... warring angels with swords drawn, do warfare on their behalf pulling down strongholds in the same way that the prince of Persia was defeated in the time of Daniel, saturate them with the blood of Jesus, give them wisdom and understanding to work with the church in Cuba and their deliverance team. We release the blessings of God to do the supernatural works of Jesus.

ELK CITY, OK: Craig Platt has begun a weekly Monday night Deliverance Ministry based on training and ministry he has received in Oklahoma City. He is excited about the doors that are open for ministry in Elk City. If you are interested in volunteering with him in this new venture, contact him at (580) 374-7122. Craig has already had some pretty spectacular ministry and events taking authority Jesus has given to him in Elk City America.

INDONESIA: We have authorized a woman from Indonesia who lives in Oklahoma City and has a heart for Indonesia to translate Everett's book and additional materials into their language so that she can have it published in their language to train people in the church to do the SUPERNATURAL works of Jesus. We have discovered that there are several people in Oklahoma City that have an interest in Indonesia and have ministries already established there. Our plan is to connect them so that we can develop a plan for the release of this book in their language and the training of local believers. Jesus said, "Believers shall drive out demons," Matt. 16.

IN-DEPTH MINISTRY: Recently, an international minister shared with us the process of ministry functioning in South Africa. Peter Horrobin agrees with this approach. First, salvation. Second, assignment of intercessors, heal the broken hearted, forgive, and interview to discover all sicknesses in the family line. Third, deliverance (keep list for further family use) [end of first week]. Fourth, discover gifting and callings from the Holy Spirit [end of second week]. Fifth, capitalize on the first six month zeal for the Lord to contact friends and family to give testimony to the grace of God for salvation, heal their sickness and lead them to the saving knowledge of Jesus Christ through the new birth. Keep them involved in the process of setting the captives free. Instead of a 5% rate of assimilation into the church, there is a 94% assimilation. People feel like they are a part of something that matters. They become productive members of the body of Christ. QUESTION: How can we partner with churches to walk through this process?

YOUR CITY, YOUR STATE: We are developing training on video so that you can step out and do these supernatural works of Jesus wherever you are in the world.
