Pick up cards and hand them out.

LOCAL MINISTRY

5:30 pm Monday nights at 900 N. May Ave., location of the Faith Fellowship Church building and Heart Menders. Oklahoma City, OK 73107. Please plan on coming for the full evening of ministry. The teaching and door closing prayers are mandatory to receive ministry. Most feel much better at the end of the evening because they have been desperate to do whatever it takes to receive their deliverance. Some are finished by 10:00 pm; others need to come back after the first session. We minister until 11:30 pm for those who need it and for those who are unfinished, return the following week.

THANK YOU

I can hardly believe it. I knew that God loved me... in my head I knew. But now I know. I KNOW!! He told me He loved me. And now that all those demons are gone, I feel so much lighter. Like I was carrying a really heavy load, and now it is gone. And now I know my parents loved me, too. God told me. I didn't believe it before, until He told me. I plan to tell lots of others about this ministry. I want them to get the help I got tonight.

WEBSITE CHALLENGES

We have discovered that the website www.delmin.org has been hacked. Someone has imbedded code into the website maliciously that takes people to a porn website if they don't have sufficient protection with a good virus protection. Yesterday, we installed virus protection by the host to our website finding more than 300 problems with the website. We are developing a new website that will hopefully be launched this month with additional key words so that we can reach it based on typing in certain problems. So, please be patient with us as we get this issue resolved.

QUOTE

In order to mollify the worshipers of Astarte, (the Greek goddess of fertility) and in order to help them be more comfortable with being enveloped by 'Christendom,' the Holy Day called 'Passover' by Jews and 'Resurrection Day' by Christ-Men was changed to 'Easter.' Thus the eggs and bunnies.

TESTIMONIES

... was very impressed with what she saw on Monday night sitting in with you. She wants to learn all she can now, and will probably be coming down to take the classes. As a Native American, she has had to deal with attacks from Satan in years past - She told me about a lot of it on the way home Monday. She went to a mission school and one night a demon attacked her, tried to choke her, and threw her across the room. The teachers there were not able to enlighten her much on what happened, if they even believed her. Don't you know, Satan knows those whom God has great plans for, and hates them? ... is one who speaks the truth straight out, she gives it all she's got - she does not hold back. She said that she did not understand most of the things which happened to her while she was younger. But, she understood a lot more after Monday.

I came to Deliverance Ministries to break off spells and curses on my life. My

parents were involved in Occultic activity and I was involved in Witchcraft and had multiple abortions. Because I have given my life to Jesus and am working to walk in His ways, I wanted delivered from my past and the spirits motivating my behavior. I am now free from the past and can truly walk in newness of life filled with the Holy Spirit.

Disease must bow the knee to Jesus. Parkinsons disease and depression have to bow the knee. Back and neck pain have to go, in Jesus Name.

SHOFAR TRAINING

Friday, Aug. 30th at 7pm, Sounding the Shofar Training with Richard Peterson at The Lion's Den, 907 W. Britton Rd. Richard Peterson will instruct us in sounding the shofar and teach us the spiritual significance of each sound. Richard says the sound of the shofar is the voice of God. He will help prepare us to celebrate the Feast of Trumpets and to use the shofar in prophetic acts. Bring your shofars so you, too, can better sound the voice of God.

Friday, Sept 6th at 7pm, **Celebration of the Feast of Trumpets** with Pagaboom and The Shofar. Robert Crawford with Pagaboom and Richard Peterson will be joining us. Calling all the Lord's shofar sounders and drummers. God is calling His prophetic worshippers to gather together and celebrate the feast with the Lord. Because of the disturbing number of suicides on the rail road tracks we will be doing a prophetic act of redemption, deliverance and healing for the Britton area. We are believing for 120 shofars, trumpets, whistles and drummers to participate in the prophetic act and to celebrate the feast.

INTERNATIONAL & NATIONAL MINISTRY

CUBA: Preparations are continually being made for a deliverance ministries focused mission trip to Cuba. Plane tickets have been purchased and deposits have been sent for four (4) team members to leave Oklahoma City December 12-20, 2013 bound for Havana, Cuba. The primary reason for going in December is so that these four can concentrate on supernatural projects in Haiti. They will partner with the Cuban deliverance team to go into the poorest neighborhoods in Havana to heal the sick and

set the captives free showing the love of Jesus. As teams, they will go to orphanages and mental hospitals to demonstrate the love of Jesus. Meetings with Cuban prison ministers will provide additional opportunities to demonstrate the power of God and the love of God. They will have appointments with some of the Cuban Christian Pastors who have been converted out of Santaria. The plan is to take the train to El Rincon St. Lazarus Church to look for opportunities to minister to the 20,000 Santaria pilgrims to gain healing from St. Lazarus. Finally, the plan is to meet with the head Santaria priest; i.e. Castro's Pastor, twice to reveal the love of Jesus and the power of God.

ELK CITY, OK: Craig Platt has begun a weekly Monday night Deliverance Ministry based on training and ministry he has received in Oklahoma City. He is excited about the doors that are open for ministry in Elk City. If you are interested in volunteering with him in this new venture, contact him at (580) 374-7122. Craig has already had some pretty spectacular ministry and events taking authority Jesus has given to him in Elk City America.

INDONESIA: We have authorized a woman from Indonesia who lives in Oklahoma City and has a heart for Indonesia to translate Everett's book and additional materials into their language so that she can have it published in their language to train people in the church to do the SUPERNATURAL works of Jesus. We have discovered that there are several people in Oklahoma City that have an interest in Indonesia and have ministries already established there. Our plan is to connect them so that we can develop a plan for the release of this book in their language and the training of local believers. Jesus said, "Believers shall drive out demons," Matt. 16.

IN-DEPTH MINISTRY: Recently, an international minister shared with us the process of ministry functioning in South Africa. Peter Horrobin agrees with this approach. First, salvation. Second, assignment of intercessors, heal the broken hearted, forgive, and interview to discover all sicknesses in the family line. Third, deliverance (keep list for further family use) [end of first week]. Fourth, discover gifting and callings from the Holy Spirit [end of second week]. Fifth, capitalize on the first six month zeal for the Lord to contact friends and family to give testimony to the grace of God for salvation, heal their sickness and lead them to the saving knowledge of Jesus Christ through the new birth. Keep them involved in the process of setting the captives free. Instead of a 5% rate of assimilation into the church, there is a 94% assimilation. People feel like they are a part of something that matters. They become productive members of the body of Christ. QUESTION: How can we partner with churches to walk through this process?

YOUR CITY, YOUR STATE: We are developing training on video so that you can step out and do these supernatural works of Jesus wherever you are in the world.
